Patient Payment Policy

Thank you for choosing the New York Spine and Wellness Center. We are committed to providing the best possible medical care. The following information is provided to avoid any confusion regarding payment for professional medical services. Please sign below that you have read and agree to this Policy.

- We accept cash, check, Visa, MasterCard, Discover and American Express.
- All fees are based on the type of service provided for your care and related services. Our fees are competitive for this region.
- If the patient is a minor (18 years and younger), the parent or guardian is responsible for payment of the account, in accordance with the policies outlined in this document.
- All co-pays are expected to be paid at check in the day of your visit. We do not waive co-pays.
- In the event you have a past due balance, we will work with you to remedy the situation; you may experience an interruption in your care until the matter is settled.
- If your account is more than 180 days overdue, it will be referred to a collection agency. This is a last resort and done reluctantly after we have exhausted efforts for voluntary payment. You will be responsible for all reasonable collection costs incurred by our practice.
- If you have, or will be receiving a workers comp settlement, or a "Section 32", related to the same injuries we treat you for, you will be held solely responsible for the bills, **not your private insurance company**. You will be expected to pay at the time of visit.
- **We do not participate with No-Fault.** As a courtesy to you we will bill your NF carrier if you agree to sign the Authorization of Benefits Form. In the event your carrier payment is delayed or denied for any reason **YOU** **will be held solely responsible for all bills**. If your carrier requests you attend an Independent Medical Exam, and you fail to attend, your carrier will stop paying on your claim. You immediately become responsible for all outstanding charges.
- In the event that a service provided to you, is denied by your insurance carrier for any of the following reasons, but not limited to: non-covered service, experimental, investigational or not medically necessary, you will be responsible for the payment of the service. **Please verify coverage of services with your insurance carrier.**
- An estimated amount for the service is available upon request.
- Do not make any notations or changes to this document, if you do we will not be able to treat you.
